Professional Biography

Nosizwe Khanyile is a passionate South African actress originally from Bergville in KwaZulu-Natal and currently based in Gauteng. She officially began her acting journey in 2024 and has since dedicated herself to growing within the television and film industry through practical experience, workshops, and continuous learning.

Her acting career started with the zero-budget production *Siqalo Series*, where she played the role of **Puleng**. This opportunity became a valuable learning experience that introduced her to script handling, on-camera performance, and professional set environments. Since then, Nosizwe has continued building her industry experience through background acting roles in major South African television productions while actively attending acting workshops to sharpen her craft.

Driven by determination and passion, Nosizwe believes in continuous growth and learning. Her journey reflects resilience, commitment, and a deep love for storytelling and performance.
